

Playground Components

Major donors to the Talkeetna Community Playground Project will help make Wild Woods Park a reality. In appreciation of these significant, tax-deductible financial contributions, we are happy to offer donors the opportunity to “buy” playground components. Your name or the name of your business will be incised on a permanent plaque which will be placed on or near the piece of playground equipment you sponsor. Also, the same inscription will be included on the playground’s donor wall. Don’t miss this chance to show residents and visitors to Talkeetna that you support the playground.

COMPONENTS - See the draft playground design online at www.talkeetnaplayground.org. Components subject to change and availability. TCPP Committee reserves approval authority inscription text. **Top section below shows components inside the playground. Bottom section below shows play areas in the surrounding forest.**
